About This Game

The town of Willow Ridge has long lived under the everlasting night of the Dark Forest, protected only by the Great Lighthouse, which keeps the nightmarish trees at bay. Your husband Alan has been haunted by dreams of a ghostly woman becoming him, believing she has the answers to saving the town. As he goes to investigate, the lighthouse erupts into fire. Was it sabotaged from inside the town or a darker force? Your search for answers will uncover the history of your town and the Forest Rite that has been tradition for countless generations. Hold onto the light in Rite of Passage: Child of the Forest, a fantastic Hidden-Object Puzzle Adventure game!
